

What We Will Be

Diverse and Language Rich

No nationality exceeds a specified limit.

English Language is supported and strengthened.

Mother Tongue languages are supported and strengthened.

Recognizing Needs and Talents

VIS accommodates and addresses a broadening range of individual needs and talents.

Facilities enable enrolment of physically disabled students.

A Community of Learners

Students stay together at the current campus.

Maximum Primary (EY-5) enrollment of approximately 300.
Secondary (6-12) enrollment expands to approximately 280.

What We Will Do

Strong Language Programmes

Multilingualism is celebrated and supported.

The school offers the opportunity to learn Lao language.

Language learning is supported through a range of formats that suit different needs.

Enriched Curricular Choices

Curriculum choices are coherent and provide pathways from PYP through to DP.

A range of options to suit alternative pathways to careers is available.

Comprehensive Co-Curricular Activities

Students access a consistent programme of Sports, Academic, Creative, Cultural and Service activities.

The community is actively engaged in the provision of a broad and integrated co curricular programme.
