**Lunch fees:** An onsite caterer provides a-la-carte meals cooked on the premises daily, available to all students. Charges and payment for this service are made directly to the caterer.

## DISCOUNTS

**Tuition Fee:** Families with three or more children simultaneously enrolled in the school receive a 10% discount for the third child and 10% for each child thereafter on **tuition fees only**. The discount will first be applied to the youngest child and then to the next youngest child. Families who receive part or full payments by an organisation, government or company for any of their children **are not** eligible.

**High Level English Support (HLS):** Students who are enrolled simultaneously in the HLS program and a mother tongue program (with the exception of Lao mother tongue) are entitled to receive a 50% discount on the total HLS fee, only if the family is 100% responsible for the payment of tuition fees. Families who receive part or full payments by an organisation, government or company for any of their children **are not** eligible.

## FEES AND PAYMENT POLICY

**Tuition and payment responsibility:** Parents/guardians are responsible for the prompt payment of all school fees by the due date. This responsibility extends to situations whereby fees are payable in part/full via a third party, part/full via parents, or part/full reimbursed to parents via a third party. Payment for the 1<sup>st</sup> semester must be made before 1<sup>st</sup> August 2018 and for the 2<sup>nd</sup> semester before 7<sup>th</sup> January 2019. For students who enrol during the school year, fees are payable within two working weeks from the date of enrolment.

Please note that the school will take action to suspend a student's right to attend classes and other school activities should school fees remain unpaid by 1<sup>st</sup> September 2018 for the 1<sup>st</sup> semester and 1<sup>st</sup> February 2019 for the 2<sup>nd</sup> semester. Students will not receive report cards or school transcripts if fees remain unpaid by the end of the school year.

**New students enrolling after the commencement of a semester will be charged the entire semester rate.** Students withdrawing during or after the commencement of the semester will not be entitled to a refund. However, if the annual tuition fee has been paid upfront and the student withdraws before the start of the 2<sup>nd</sup> semester, the 2<sup>nd</sup> semester tuition fee will be refunded in full.

**Application Fee Refund Policy:** This fee is non-refundable and non-transferable unless VIS cannot offer a placement for the prospective student due to unavailability of places in our language program or general class sizes are at capacity.

If an enrolled student withdraws from VIS for a period of more than two years and subsequently re-enrols, the application fee is again payable. If returning within this two year period, this fee will be waived.

If a student is offered a placement at VIS and the family decides to defer the start date or does not start, the two year policy as above applies.

Language testing as part of the admissions process for the EAL program costs \$300.00 (USD) per test. In the event that VIS cannot offer a place to a prospective student, this amount will be deducted for each test undertaken from the original application fee paid.

**VIS Board of Trustees Policy:** Vientiane International School sets its annual fees based upon projected income and expenses. In case of severe financial problems, the Board of Trustees reserves the right to revise fees or the fee policy at any time during the school year.
